

BLUE ON TOUR 2012

DIVE THE PACIFIC EXTRAVAGANZA: FIVE GREAT PACIFIC DIVE TRIPS TO BE WON AT THE EVENT!

Mike Ball Dive Expeditions - GBR : 7 nights Coral Sea Safari aboard SpoilSport to the Cod Hole and Coral Sea, 26 dives. Conditions apply.

Walindi Plantation Resort - PNG : 7 nights full accomodation, all meals plus 10 dives with tanks, weights and dive guide services.

Sam's Tours, Palau - Micronesia : 7 nights accomodation plus 10 dives with tanks, weights and dive guide services.

Dive Munda - Solomon Islands : 7 nights accomodation plus 10 dives with tanks, weights and dive guide services.

Aquamarine Santo - Vanuatu : 6 or 7 nights accomodation plus 8 or 10 shore dives with tanks, weights and dive guide services (depending on flights).

All you have to do to win one of these amazing dive adventures is to attend the 'Blue on Tour' evening at the University of NSW's John Clancy Auditorium on Friday evening, March 23rd and visit the display booths of Mike Ball Dive Expeditions, Australia; Walindi Resort, PNG; Sam's Tours, Palau; Dive Munda, Solomon Islands, and Aquamarine, Santo, Vanuatu. Pick up your entry form, source the correct answers from each booth, fill it in and place your entry into the entry box on each booth! The five lucky winners will be drawn immediately after interval.

An amazing blockbuster documentary that took over four years to make, Disney's 'Oceans' will be one of the highlights of the Blue On Tour program scheduled for the Clancy Auditorium at the University of NSW on Friday evening, 23 March, 2012.

Disney's 'Oceans' is scheduled as the final film of the evening. No expense was spared on this amazing production, making it one of the most expensive wildlife documentaries ever made! It is breathtaking... a miraculously filmed and remarkable journey into the oceans of the world.

But Disney's 'Oceans' is far more than entertainment - it is a testament to the richness and diversity that exists in the worlds oceans. It is also a timely reminder of what is at stake, what we all risk losing if the world fails to protect the oceans.

Disney's 'Oceans' is just one of the amazing films and special features of this great night! Doors to the Clancy Auditorium at the University of NSW in Randwick will open at 6pm giving divers a chance to make this a great social event. Bar facilities and finger food will be available so the audience can catch up with friends and relax before the films begin at 8pm.
